## SIGNIFICANT RISKS

Some risks of holding a JB Hi-Fi Extras plan include:

- **Device is lost or stolen:** if your Device is stolen or is otherwise lost, you will not be able to make a Swap Anytime service request or a Front Screen or Back Glass Replacement service request. Additionally, you may not be able to utilise the Technical Support and Mobile Security Software features of your JB Hi-Fi Extras plan;
- **Product or fee changes:** SquareTrade has the right to amend the terms and conditions of your JB Hi-Fi Extras plan in certain circumstances, by providing not less than 30 days' written notice to you (see clause 12.2). This may result in some of the features of your JB Hi-Fi Extras plan being varied or removed and/or the services fees payable increasing. Where this occurs and you have purchased a Fixed Term Plan, you may cancel your Fixed Term Plan within 30 days of receiving such notice and receive a pro rata refund of the Membership Fees you paid for your Fixed Term Plan. Where this occurs and you have purchased a Monthly Subscription Plan, you can exercise your right to cancel your Monthly Subscription Plan at any time;
- **Additional service fees:** if your Device is disabled, locked or IMEI blocked or does not have all genuine parts, then additional service fees may apply if you make a Swap Anytime service request;
- **Replacement device coverage:** if your Device is replaced under the manufacturer's warranty, JB Hi-Fi Voluntary Warranty or the Australian Consumer Law, you will need to ensure that your replacement device is added to your JB Hi-Fi Extras plan in order to be able to access some features of your JB Hi-Fi Extras plan for that replacement device;
- **Personal data:** you will need to remove your SIM card and delete all data from your Device and restore it to factory settings before you make a Swap Anytime or Front Screen or Back Glass Replacement service request. If you do not do this, we may delete this information whilst fulfilling your service request. It is important that you keep a separate record of all your data before you make a service request;
- **Not insurance:** JB Hi-Fi Extras is not an insurance product and SquareTrade is not an insurer authorised by the Australian Prudential Regulation Authority to conduct an insurance business in Australia; and
- **Cancellation:** If you choose to cancel your JB Hi-Fi Extras plan after expiry of the cooling off period, you will not receive a refund for Membership Fees already paid except as otherwise provided in clause 5. Please note that once your JB Hi-Fi Extras plan is cancelled (for whatever reason including, without limitation, your failure to pay the monthly subscription fee), we are unable to reinstate your JB Hi-Fi Extras plan and are unable to sell a new JB Hi-Fi Extras plan to you for the same Device.

There may be other risks relevant to you that are not detailed in this PDS. It is important that you also consider these other risks before you make any decision to acquire a JB Hi-Fi Extras plan.
