

2025 Homebrew Product Calendar Update - Jan 20, 2025

We intend to move to a 6x per year preorder system for wholesalers.

At time of order, we commit to having the following stains as a core line-up:

Exclusives

- Elysium
- Hydra
- TERPS
- Thiol Libre
- Lactobacillus Blend 2.0

English

- English II
- Foggy London Ale
- Irish Ale
- Vermont

German

- Kolsch Ale
- Weizen I

Kveiks

- Ebbegarden
- Hornindal
- KRISPY
- Laerdal
- Voss

American

- American Ale
- Cali Ale

Lagers

- Biergarten
- Isar
- Premium Pils

Belgian

- French Saison
- Fruity Wit
- Old World Saison
- Saison Maison
- West Abbey Ale

Brett and Bacteria products will be based on existing inventory (rotating selection)

The following strains will be made available seasonally:

January-April (date of preorder window TBD)

- Ardennes Ale
- Copenhagen Lager
- Uberweizen

May-August (date to of preorder window TBD)

- Classic Wit
- Cream Ale
- Mexican Lager

September-December (date of preorder window TBD)

- English I
- Dry Belgian
- Spooky Saison

We will be unable to fulfill custom requests for homebrew packs of strains that are not listed on this document unless we can achieve a minimum commitment of 20 packs (can be split among multiple customers).
