# ABOUT US

We're not your typical swag gift company.

At Edible Swag, we've reinvented corporate gifting — no tired fruit baskets or branded plastic junk. We create bold, gourmet gifts that make people say, "Wow — who sent this?"

Our family has built iconic food brands for generations, delighting over one million customers. Now we bring that same delicious energy to businesses of all sizes. Every gift is customizable, brandable, and comes with a custom note. It's swag — with taste.

This is our first catalog — explore it, share it, and order online or through one of our gifting concierges. Go online to [EdibleSwag.com](http://EdibleSwag.com), email us at [sales@edibleswag.com](mailto:sales@edibleswag.com), or call our concierge at 1 (800) 351-7002
