Additional Options

Outside Logo Prints

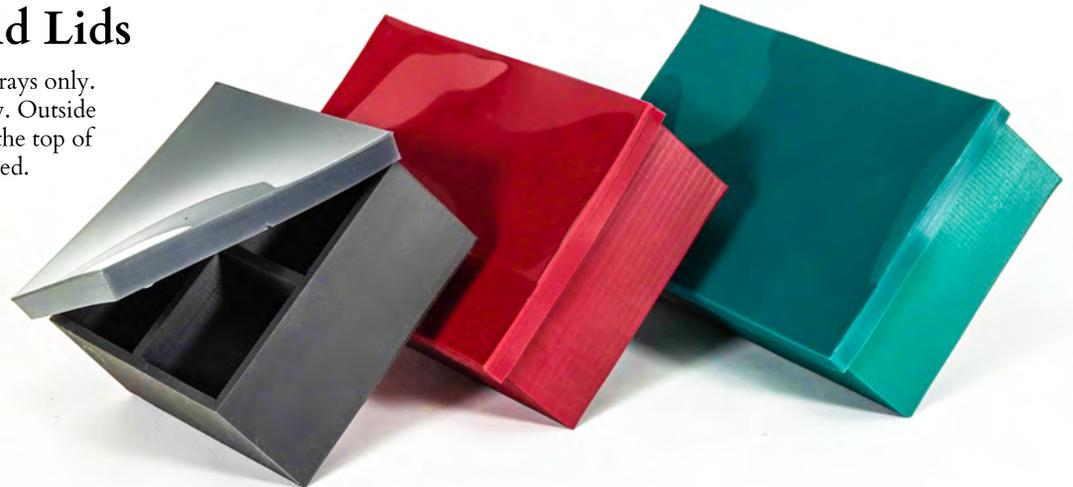

Available to print a logo on the outside of the ice tray. The maximum artwork size must fit within a 2.5" diameter circle. By default, printing is done in white ink in one location. Multiple printing locations or custom PMS color ink is available upon request.

Printing location is shown in example photo.

Silicone Ice Mold Lids

Available for cube shaped ice trays only. Color matched to your ice tray. Outside logo prints can be located on the top of the silicone lid if preferred.

Custom Color Silicone

Pantone/PMS color codes are used to formulate your custom silicone color.

Clear Ice Makers

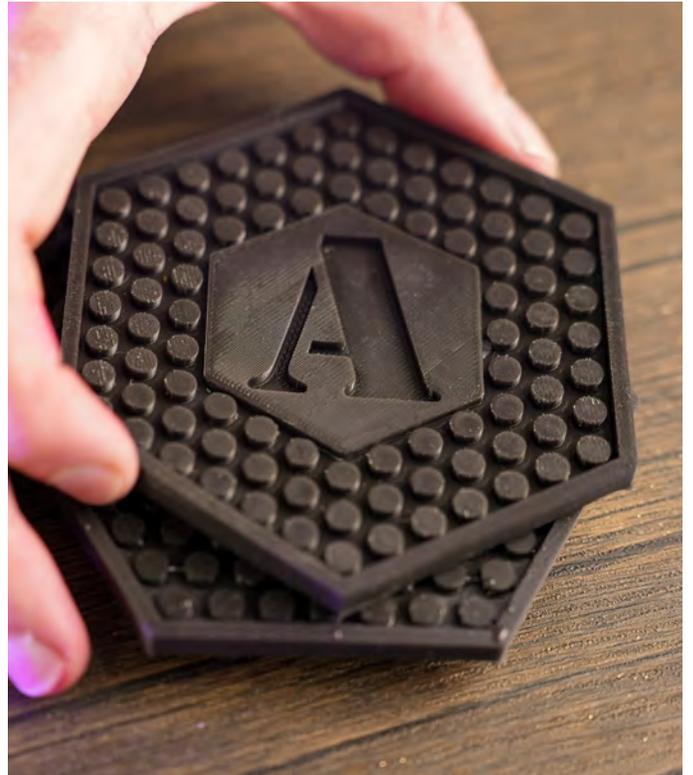

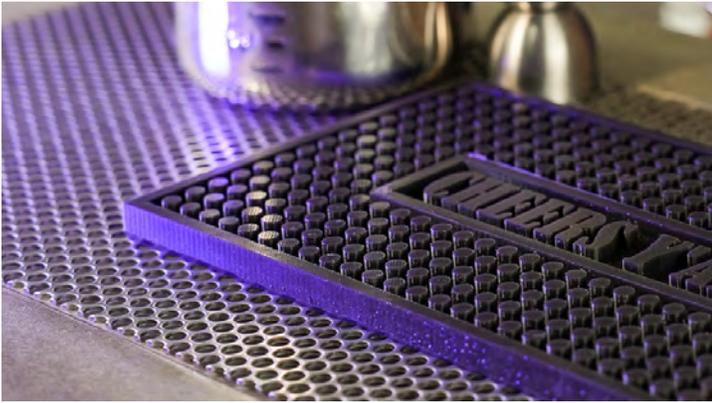

The new gold standard for cocktail craftsmanship! Married with the scientific principle of directional freezing with unique personalization technology to offer flawlessly transparent ice cubes and spheres adorned with your favorite monograms, symbols, or your own logo!

The assembled clear ice maker is
8.5" L x 4.75" W x 7.25" H

Makes two cubes or two spheres.
Ice Spheres measures 2.3 inches in diameter.
Ice Cubes measures 2 x 2 x 2 inches.

BAR MATS & COASTERS

Bar Mats & Coaster Sets

Available in 4 standard colors: black, navy, light blue, & red.
PMS Color match also available!

Barware Add-ons

Customized Etched Rocks Glasses

Sized to perfectly fit cocktail cubes, these glasses can be used to rep your logo during cocktail hour.

Engraved Stainless Tongs

These high quality stainless steel ice tongs include a custom logo engraved on one side. These elegant ice tongs make it easy to serve personalized ice correctly - by placing the cube gently into the drink allowing the design to be preserved for longer.

Cocktail Bitters

Individual flavors (5 oz) or Bundles of three!

High quality, handcrafted recipes that contain no artificial flavors, stabilizers, or preservatives. Available flavors include: Old Fashioned, Very Cherry, and Orange Sunset.

Custom labeling is available.
